

Competitions, categories and crew types

New [CATEGORY](#) and [TYPE OF CREW](#) were established to enable as many contestants as possible to take part in Rallye Rejvíz. Special score teams of various composition were set up to be able to assess the most objective way possible.

How to register to competition?

The Rejvíz rally is open to everyone. Each competition has written categories and rules for them.

1. You **can enter the [competition](#)** according to your choice and the rules.
2. Some competitions contain further division into [categories](#). It is necessary to **choose the right [category](#)** according to the requirements and composition of your team.
3. [The crew](#) must **be assembled according to the rules of the listed competitions** and their categories. Thanks to this, we can evaluate all competing crews fairly.
4. After choosing the type of crew, **fill out the registration form**. By submitting the form, competitors declare that their crew is composed according to the rules listed below and that they respect the conditions of participation and the rules of Rallye Rejvíz.
