

Rallye Rejvz 2001

5th Year of International EMS Competition

May 24 - 27, 2001

Recreation areal BOHEMA, Zlaté Hory, Czech Republic

In 2001, Rallye Rejvz underwent the biggest organizational changes since its inception:

- the scoring system was changed to positive
- in order to satisfy the growing interest in participation from the Czech Republic and abroad, the RR was divided into a national and an international competition, so the maximum possible capacity was reached - 60 crews (30 in the national competition, 30 in the international competition)
- from the point of view of the time RR, competitions are held already on Thursday, Friday day and night
- Saturday is reserved for the Helpík Cup, announcement of results and social program
